

Dear Dr. Nirogi:

Congratulations! You have been selected to be part of the scientific program at the American Academy of Neurology 2022 Virtual Annual Meeting, April 24-26, 2022. You will be presenting your work at the top virtual neurology meeting that brings a distinct three-day experience of top-tier science, education, and networking. We are pleased to inform you that your scientific abstract number **2185** entitled "**Samelisant (SUVN-G3031), a Histamine-3(H3) Receptor Inverse Agonist in Animal Models of Sleep Disorders**" has been accepted as a **poster presentation**.

Presentation Information

Our virtual poster hall will be available the entire length of the meeting and online through May 14, 2022. This offers attendees even more opportunity to view your science. Enhanced search functionality will allow participants to filter by topic, subtopic, presenter, institution, audience, or keywords. We also encourage you to include contact and social media handles in your presentations to continue the conversation if you're comfortable doing so.

Sincerely,

Natalia S. Rost, MD, MPH, FAAN
Chair, Science Committee
