**Suven gets ISO 14001 certification**

Suven Life Sciences has obtained the ISO 14001:1996, the Environmental Management System Certificate for its manufacturing units in Suryapet in Nalgonda district and Jeedimetla on the outskirts of Hyderabad.

In addition, Suven has upgraded its ISO system from ISO 9002:1994 to ISO 9001:2000. With this Suven's operations will conform to better efficiency and integrated business, and secure competitive advantage in delivery, the company claimed. [\(Business Line\)](#)
