

## SPECIFICATIONS

2-Amino-5-chloro benzonitrile

CAS No. : 5922-60-1

### TEST

Description :

Identification by IR :

Water content by KF, %w/w :

Melting Range, °C :

Residue on Ignition, % w/w :

Purity by HPLC, % Area :

Assay by HPLC, % w/w :

### SPECIFICATIONS

Off-white to Pale yellow powder

The Infrared spectrum of the substance being examined should be concordant with the In-house working standard spectrum.

Not more than 0.5
